

PUBLIC SERVICE ANNOUNCEMENT

Date: June 12, 2025
To: Media Outlets
From: Susan Himes, Community Services Director
Re: Temporary Aquatic Center Closure

The Russ McEwen Aquatic Center will remain closed through Friday, June 13, 2025, due to ongoing repairs due to damage following last weekend's weather event.

We are actively working to complete repairs and open the center again as quickly as possible. Updates will be provided as they become available, and we hope to be open again this weekend. Please check the City of Big Spring Public Information Facebook page or the city's website, www.mybigspring.com for the latest information.

We appreciate your patience and understanding while we make necessary repairs. If you have questions, please contact the Community Services Office at 432-264-2323.
